Motivated Computer Engineering student with a strong interest in Quality Assurance and Testing. Eager to learn how to write test cases, identify bugs, and understand the software development lifecycle. Looking for a QA internship where I can apply my programming foundation, gain hands-on testing experience, and contribute to improving product quality.

EDUCATION

Gandaki College of Engineering and Science

Bachelors of Computer Engineering

2024 - Present

PROJECTS

1. Aahar
- Developed a platform connecting local farmers to urban customers, reducing reliance on intermediaries.
 - Designed clean, intuitive admin dashboards and ensured smooth, scalable product workflows.

TECH INVOLVEMENT

- WordCamp Pokhara 2024 – Participant
- Women Leaders in Technology (WLIT) Fellowship 2025 – Fellow
- Active member of GCES IT Club, contributing to the success of multiple on-campus tech events
